

Emergency Veterinarian (Experienced)

ER DVM opportunity in Dartmouth, Nova Scotia

Schedule: Full-time, 3-day work week (12–14 shifts per month)

Maritime Veterinary Emergency and Specialty Centre (MVSEC) is seeking an experienced Emergency Veterinarian to join our dynamic and collaborative team. Our hospital is committed to delivering the highest quality patient care and client service, supported by a positive, team-oriented culture. Our ER team collaborates closely with specialty services including IM, Cardio, Radiology, SX, Rehab, and Exotics.

Why Join MVSEC

At MVSEC, you'll do more than practice—you'll grow, collaborate, and help shape what's possible in veterinary medicine. You'll work in an environment where advanced medicine, mentorship, and teamwork come together to deliver an exceptional experience for both patients and clinicians.

In your day-to-day, you will:

- Deliver high-quality emergency care to a diverse caseload of patients
- Support clients and patients through diagnostics, treatment planning, and emergency procedures, including surgery
- Work closely with ER veterinarians, specialists, technicians, and support teams
- Contribute to a positive, team-focused hospital culture

What You Bring

- Full veterinary license to practice medicine in Canada
- 2+ years of emergency clinical experience and comfort with emergency surgery
- Strong clinical judgment and ability to thrive in fast-paced environments
- A collaborative mindset and commitment to exceptional patient care

Perks & Benefits

- Competitive compensation
- Paid health care premiums
- Generous CE allowance and CE time
- \$3,000 Compassion Care Fund to support clients at your discretion
- Full access to a journal library with 35+ publications
- Paid memberships to NSVMA, CVMA, VECCS, VIN, and VETgirl
- Annual uniform allowance
- PTO
- RRSP match

Location Highlight

Situated just a short ferry ride across Halifax Harbour from downtown Halifax, Dartmouth offers the perfect blend of coastal beauty and vibrant community living.
