

MOONEE CENTRAL VETERINARY CLINIC

Vet Wanted

Fully equipped clinic with modern facilities
Salary \$120k for right applicant with three years' experience or more
Located in Moonee Ponds

About the role

Veterinarian required for small animal practice in Moonee Ponds (northern suburbs of Melbourne). Patients mainly dogs and cats. We are looking for someone who is a good team player who can get work completely efficiently with good time management skill and able to cope with large case load in a busy practice. Must be prepared to be proactive in working up cases and have exceptional communication skills in informing the client of progress, developments, and expectations in cases.

About the Practice

Moonee Central Vet was established 25 years ago and grown to be a three veterinarian practice which employs six nurses on a casual and permanent basis.

- The Clinic is fully equipped with digital x-ray, Phillips CX50 Ultrasound and in-house IDEXX Catalyst One and Procyte Dx Laboratory facility and full surgical facilities including Birtcher 4400 Electrocautery, Suction, Apalert and Sinohero S80 Vet Anaesthetic Monitor. Two independent surgical setups with table, surgical lights, Forthane anaesthetic machines (3) and oxygen generators. Tonopen eye pressure monitor. Microscope. Wet area table for enemas and simple procedures etc. Teeth cleaning and surgery machine.
- We run Ciderhouse Database computer software with five stand-alone desktops.
- Major focus on surgery but handle most complex medical problems. We perform almost all surgery in-house including orthopaedic, abdominal and eye surgery.
- DIA Vet program for explaining procedures to clients
- Member of Vetcentric/ United Veterinary Group.
