

Lakeshore Animal Health Partners (“Lakeshore”) is seeking ER Veterinarians to join an exciting veterinary hospital opening in November 2022. Lakeshore will be located in Toronto, Ontario and plans to offer 24/7 emergency care alongside a comprehensive array of specialty veterinary services.

At the root of everything we do at Animal Health Partners is our guiding mission to provide pets with access to the same quality of healthcare available to their owners. Animal Health Partners and VetStrategy are partnering to build Lakeshore, the second AHP location, as our next step toward that mission.

Lakeshore will share many of the same amenities as the existing Animal Health Partners location in an expanded footprint. The technical proficiency and medical equipment at Toronto Animal Health Partners equal or exceed that found in many sophisticated human hospitals; our 3-Tesla MRI, the first in private veterinary practice in Canada, provides clinicians with exceptional diagnostic capabilities. Furthermore, AI-enabled software systems and our hospital design, informed by veterinarians in our network, help support our clinicians by keeping their focus on delivering high-quality care to patients. Lakeshore will also have a modernly equipped, integrated ER/ICU with central workstations.

We recognize that the foundation of our success is our people. Patient care ultimately rests in the hands of each veterinary professional, and we endeavour to support those dedicated professionals with a collaborative working environment, access to development opportunities, and partnerships with external organizations in human and veterinary medicine. Our deep relationships with leaders in human and veterinary medicine keep us informed of the latest in medical innovations and provide us with access to relevant medical expertise and training. Further, our cross-functional, team-based approach to medicine stimulates knowledge transfer and collaboration for optimal patient outcomes.

ABOUT US

Lakeshore Animal Health Partners Emergency and Specialty Hospital is part of the VetStrategy group of clinics. VetStrategy is a 100% Canadian-operated group of veterinary clinics with locations throughout Canada. We believe that veterinary clinics are an integral part of the community they serve and as such we put a large focus on community-based activities and initiatives. Every clinic we partner with is unique and serves a very diverse client base.

Do not miss out on this unique opportunity to join a fun and dynamic team! VetStrategy is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees. Accommodations are available on request for candidates taking part in all aspects of the selection process.
