Message From Our Chairs

We are delighted to invite you to the 2021 Canadian Veterinary Medical Association convention being held July 22-25 in Calgary. The CVMA Professional Development Committee has developed new program features, new registration packages and for the first time will be offering a virtual experience for attendees to participate online from the comfort of their home or office. We look forward to offering our signature events including the CVMA Summit, and the National Issues Forum. We welcome our partner, the Registered Veterinary Technologists and Technicians of Canada who have collaborated with the CVMA to present a dynamic program. In addition to a unique learning platform, the convention provides an opportunity to mingle with industry partners and reunite with colleagues and friends. Be sure to join us in Calgary this July; we look forward to welcoming you!

**Focus on what matters.
We'll take care of the rest.
Insurance personalized for you.**

As a **member** of **CVMA**, The Personal will support you every step of the way with personalized service, exclusive home and auto insurance rates, and more.
