

Appendix 1. Owner questionnaire.

Questions
<i>Is your pet healthy today?</i>
<i>If you selected “No” for the previous question, how would you describe your pet’s current health?</i>
<i>Did your pet experience any complications during his/her recovery from the gastropexy procedure?</i>
<i>Please list all the complications, if any, that you recall your pet having during the recovery period.</i>
<i>If your pet experienced complications during recovery, did they see a veterinarian for follow-up treatment and/or surgery?</i>
<i>Since your pet's gastropexy surgery, has he/she ever been diagnosed with a Gastric Dilation Volvulus (GDV, also known as a twisted stomach)?</i>
<i>Were you satisfied with the outcome of this procedure?</i>
<i>Would you elect to have this procedure performed on your future pets?</i>
<i>Would you recommend this procedure to other pet owners, family, or friends?</i>
