2027 CVMA Convention: **CALL FOR SPEAKERS**

July 7 – 11, 2027
Winnipeg Manitoba

Call for Proposals is Now Open

The Canadian Veterinary Medical Association (CVMA) invites you to submit a proposal to present at the **2027 CVMA Convention, July 7–10** in **Winnipeg, Manitoba**. This annual event brings together veterinarians, veterinary technologists, and the entire veterinary health team from across Canada and beyond.

Who:

We are seeking engaging and informative scientific sessions that highlight clinical expertise, emerging research, and practice innovations. Proposals are encouraged in all areas of veterinary medicine, including small animal, food production, ruminant, equine, animal welfare, business management, and WIDEA (Wellness, Inclusivity, Diversity, Equity, and Accessibility).

Application portal will close January 31, 2026.

What Our Speakers Have to Say:

Bravo to an amazing team at CVMA who created a powerful educational experience combined with heart. A+ all-around in terms of prep and on-site care and commitment to the audience individually and collectively.

What a wonderful opportunity to feel a part of veterinary medicine in Canada! The CVMA convention combines community, with lifelong learning with lots of social opportunities and a beautiful location.
