

SPEAKER BIOGRAPHIES

DR. JOE RUBIN, PhD, DVM

Dr. Joe Rubin is a veterinarian and microbiologist leading a research group dedicated to exploring the world of antimicrobial resistance. He completed his DVM at the University of Saskatchewan, and is a member of the WCVM class of 2007. Following veterinary school, Dr. Rubin completed a PhD in the Department of Veterinary Microbiology working on methicillin resistant staphylococci in dogs and people. He began his faculty appointment as an Assistant Professor in the Department of Veterinary Microbiology in 2012. Since July 1, 2018 Dr. Rubin has been an Associate Professor and Chair of the Department Graduate program.

DR. CASEY GAUNT, DVM, MVetSc, Dipl. ACVIM (SAIM)

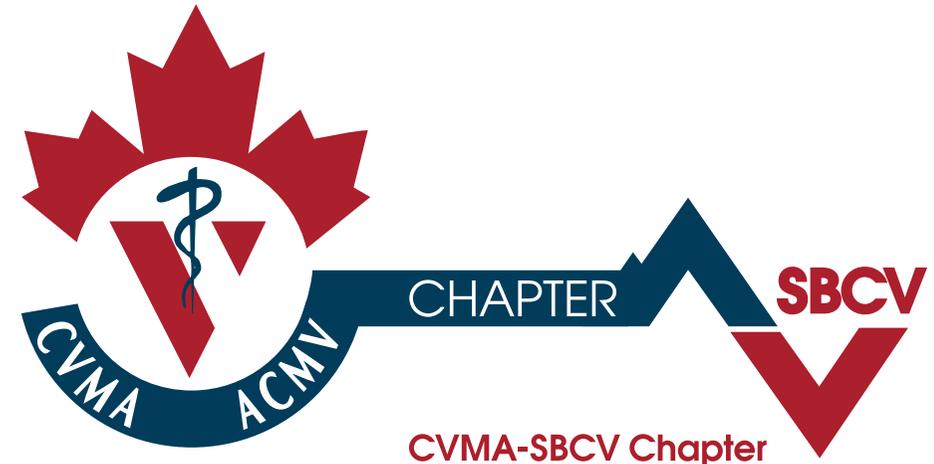

Dr. Casey Gaunt received his DVM from the Virginia-Maryland College of Veterinary Medicine in 2006 before moving to WCVM. He earned his Master of Veterinary Science (MVetSc) and completed his Small Animal Internal Medicine Residency in 2010 at the WCVM in Saskatoon. He practiced as an internal medicine specialist in Naples, Florida before returning to WCVM to teach internal medicine until 2016. Dr. Gaunt now works as a small animal internal medicine locum at private practices and universities throughout Canada and the United States. Dr. Gaunt has a wide range of interests, with a focus in respiratory disease, interventional radiology, and infectious diseases.
