CVMA-SBCV Chapter Fall Conference and Trade Show. November 5–6, 2016. Pinnacle Hotel Harbourfront, Vancouver, B.C. The CVMA-SBCV Chapter Fall Conference and Trade Show will again be held at the Pinnacle Hotel Vancouver Harbourfront on Saturday November 5 and Sunday November 6, 2016. Sessions feature Dr. Kenneth Martin, Behaviour; Dr. Marie Kerli, Critical and Emergency Care; Dr. Peter Gordon, Neurology; and Dr. Tammy Owens, Nutrition; and are open to DVMs, RVTs and hospital staff. A special session for RVTs is offered on Saturday November 5, 2016 featuring Debbie Martin, Veterinary Technician Specialist, who will share her tips and techniques on preventative behavioural services and creating a veterinary hospital “spaw.” Tickets go on sale in July, 2016. For information, please e-mail cvma-sbcv@cvma-acvm.org or call (604) 406-3713.

Preventing Obesity in People and Pets: A One Health Approach. November 9–11, 2016. Atlanta, Georgia, USA. This conference will promote the vision of a world where regular activity, a balanced diet and healthy weight are part of every family’s life. Recent scientific reports highlight the growing global problem of human and companion animal obesity and this is a significant One Health issue. Over the two days of this new educational program, animal medical and veterinary experts will address the impact of obesity on clinical diseases such as cardiovascular disease, type II diabetes and cancer; the societal costs of unhealthy weight; the psychology of obesity and practical One Health Solutions to obesity. To register, and find more information, visit: wsava-obesity.com

MARCH/MARS 2017
8th European Equine Health & Nutrition Congress. March 23–24, 2017. Antwerp, Belgium. The 8th edition of the EEEHC will be celebrated with internationally recognised specialists in nutrition, pharmacology and veterinary sciences. The edition’s congress theme is dedicated to “From Nutrition to Disease and Back”. The two-day program will contain 3 main sessions: nutrition as cause; nutrition as (part of) treatment or disease modifying tool; and nutrition as tool for disease prevention. Obesity, insulin resistance, lamenitis, joint disease, and developmental disorders are topics that will be addressed. Keynote lectures will delivered by: Prof. Ray Geor (Massey University), Prof. Renger Witkamp (Wageningen University and Research Centre), and Prof. Wayne McIlWraith (Colorado State University). A Call for Abstracts is open until November 10, 2016. For more information visit: http://www.equine-congress.com/ or contact: registration@equine-congress.com; tel: +32 9 242 82 29.

APRIL/AVRIL 2017

4th Annual CFHS National Animal Welfare Conference. April 8–11, 2017. Westin Hotel, Ottawa, Ontario, Canada. The CFHS National Animal Welfare Conference is the pre-eminent animal welfare industry event that represents the entire diversity of animal welfare leaders in Canada. Whether you work with a humane society, SPCA, animal rescue, advocacy group, in animal control, compulsory registration, with an academic institution or the government — or are just interested in animal welfare, our exciting conference is the place for you! The CFHS National Animal Welfare Conference features dozens of different welfare topics and sets the agenda for Canada’s humane movement for the year to come. The 2017 conference will be the largest one yet, creating an opportunity to share, learn, connect and network with the full spectrum of the animal welfare community in Canada. For more information, contact: conference@cfhs.ca; tel: 613-224-8072 ext. 20 or 1-888-678-2347 ext. 20. Find the CFHS on Facebook (www.facebook.com/AnimalsCanada) and Twitter (@CFHS).
