**Copy and Contract Regulations**

**i)** Advertisers and advertising agencies assume liability for all content of advertising printed or placed online and also assume responsibility for any claims arising therefrom made against the publisher.

**ii)** Advertisers and advertising agencies agree that the publisher shall be under no liability for failure for any cause to insert any advertisement or for any errors and potential damages resulting from errors caused by the publisher or any of its agents, suppliers or consultants in advertising published.

**iii)** Advertisers and advertising agencies are jointly responsible for payment of advertising published. Terms of payment: Net 30 days from date of invoice. Past due accounts are subject to a late payment charge of 1.5% monthly.

**iv)** All advertising material is subject to approval of the publisher and can be refused at the sole discretion of the publisher.

**v)** All inserts must be confirmed with an insertion order signed by the advertiser or the advertising agency and received by the publication, accompanied by a photocopy of the material to be published, no later than the first day of the month preceding the month of publication.

**vi)** Electronic files must be sent no later than the 8th of the month preceding the month of publication.

**LATE FEE:** Advertising material received after the material deadline date will be subject to a $200 late fee charge before plates made, or $500 after plates made.

**vii)** All insertions will be invoiced at the one time rate unless a written contract has been received by the publisher stipulating the number of insertions planned in a 12-month period.

**viii)** Cancellations cannot be accepted after the closing date which is the first of the month preceding the month of publication.

**ix)** The appearance of advertising in the CVJ or online with the CVMA does not constitute a guarantee or endorsement of the quality or the value of such products or the claims made for it by its manufacturers.

**x)** Editorial decisions are not influenced by advertising and are made without consideration of the advertising scheduled to appear in any issue.

**xi)** Advertising must be clearly distinguished from editorial material. Advertising that is primarily text, i.e. advertorial, should not appear as if it is a scientific report and should not imitate the style of the journal. The acceptance of advertising and its appearance is at the sole discretion of the publisher.

**xii)** Advertising materials may be destroyed by the publisher if not used within one year. Advertisers assume the shipping costs if materials are returned.

**xiii)** It is the responsibility of the advertiser and advertising agency that all advertisements for veterinary biologicals conform with the Health of Animals regulations. For further information see www.inspection.gc.ca, “Veterinary Biologics Guidelines”.
