SAVE THE DATE
The CVMA-SBCV Chapter Fall Conference will be held November 8 and 9, 2014. Location and details to be announced. Please reserve the date now for two full days of CE including a program for AHTs, plus trade show. Watch your email for more information.

STRATEGIC REVIEW
Recently, in November 2013, the CVMA-SBCV Chapter Board met to review its strategic plan and revise it to better represent who we are and what we do as a Society. From this, we have developed three Chapter Objectives and four Chapter Core Values. We welcome feedback from members. Please email us at cvma-sbcv@cvma-acmv.org or call 604.945.3713.

CHAPTER OBJECTIVES

1. Provision of Services to Members
CVMA-SBCV Chapter advocates for the best interests of its members and maintains effective and regular communication with them. The Chapter keeps members up-to-date by providing continuing education courses and opportunities, and looks for new and meaningful ways to connect members with the public.

2. Promotion of the Veterinary Profession
CVMA-SBCV Chapter promotes the integrity and honour of the profession to the public through public education and information. The Chapter develops effective working relationships with all stakeholders.

3. Promotion of Human and Animal Welfare
CVMA-SBCV Chapter promotes animal welfare issues including public safety and food safety issues. The Chapter shares CVMA animal welfare position statements and research with veterinarians and the public, and promotes, encourages and nurtures the development of the human-animal bond.
CHAPTER CORE VALUES

✓ Integrity
✓ Excellence
✓ Transparency
✓ Helpfulness
