WCVM Fall Career Fair
4:30-7:30 p.m.
Tuesday, October 23, 2018
Main Floor, WCVM

Complimentary refreshments will be served

The WCVM’s Fall Career Fair can help your veterinary practice make important connections with future veterinarians. Meet in person with members of our senior classes. Talk about the amazing full-time positions available for veterinary graduates or the summer job opportunities you have available at your veterinary practices. Tell students why your practice is a great place for them to launch their veterinary careers!

Hors d’oeuvres and non-alcoholic beverages will be served throughout the event. The WCVM will supply each veterinary practice with a table and chairs for the career fair. Private meeting rooms will also be available.

Representatives of veterinary practices: please RSVP by Wed., Oct. 17. Click here to complete the RSVP.
