**Opening Ceremony & Welcome reception**

---

**Scientific program - Tuesday 16 July**

**Time**

8:30-9:20

**WSAVA guidelines**

Update on insulin therapy: what's available and when to use it.

**Endocrinology**

Future, needles, and synergy patterns - All you need to know.

**Soft tissue surgery**

Recent Advances in Oncology.

**GI**

Rational use of gastric acid modifiers in small animal practice - Mansfield, Aus.

**Med oncology**

TBD

**Vet Techs**

TBD

**WSAVA Dentistry**

TBD

**CVMA Dermatology**

TBD

**CVMA Corporate Summit**

TBD

---

**Session 1b**

**Emergency ultrasound, nephrology**

**WAVMA for Vet Techs**

**Diagnostic imaging**

**Soft tissue surgery**

**Respiratory**

**Multidisciplinary case rounds**

**Vet Techs**

**CVMA Dentistry**

**CVMA Dermatology**

**CVMA Corporate Summit**

---

**Use of ultrasound in emergency medicine - indications, benefits, and pitfalls.**

Chaloub, Can

Performing water tests: what do they tell us?

Tepper, St. Erne, USA

**Canine and Feline Cystotomy – Never leave a stone behind again.**

Singh, Can

**Cholecystectomy – The good, the bad, the ugly.**

Singh, Can

**Kidney failure.**

Singh, Can

---

**Session 2b**

**WSAVA-mandated or sponsored session**

**CVMA small animal sessions**

**CVMA equine session**

**Affiliated society sessions**

**Corporate sponsored sessions**

**Multidisciplinary case rounds**

**Vet Tech sessions**

---

**Session 3a**

**WSAVA Reception**

---

**Session 3b**

### WSAVA-mandated or sponsored session

- Awards and associated lectures
- Corporate sponsored sessions
- Affiliated society sessions
- Multidisciplinary case rounds
- Vet Tech sessions

### CVMA sessions

- Management of chronic pain
- Surgical oncology
- Infectious diseases
- Canine rehabilitation and biological therapy
- Veterinary technology
- CVMA Business Management
- CVMA Exotics
- Theriogenology

### WSAVA GPC - Management of chronic pain

- Name growth factor, pain and mAbs for chronic pain
- An update on thoraxFAST ultrasound: diagnosing pleural effusion. Loscher, USA
- So you found an oral mass during a dental, now what? Boston, Can
- Diagnosis and treatment of urinary tract infections Weese, Can
- Evidence for canine rehabilitation and physiotherapy – Gibbons, Can

### CVMA Business Management

- Increasing practise revenue through perceived value (part I) Jackson, Can
- Increasing practise revenue through perceived value (part II) Jackson, Can
- What’s up doc? Working up small animal cases Bradley, USA

### CVMA Exotics

- What’s up doc? Working up small animal cases Bradley, USA
- Common toxins in companion birds Bradley, USA

### Theriogenology

- What’s up doc? Working up small animal cases Bradley, USA
- Common toxins in companion birds Bradley, USA

**WSAVA-mandated or sponsored session** | **CVMA equine session** | **Corporate sponsored sessions** | **Multidisciplinary case rounds** | **Vet Tech sessions**

---

**Thursday, 18 July**

- **08:00-08:50**: WSAVA welfare lecture by Robertson, USA on “Bitesized disasters - when nutrition goes wrong.”
- **08:55-09:45**: Animal handling animal welfare: experiences from different countries and cultures by Jacobson, Can Robertson, USA.
- **09:50-10:40**: Morning break.
- **10:45-11:35**: Animal handling animal welfare: experiences from different countries and cultures by Jacobson, Can Robertson, USA.
- **11:40-12:30**: Animal welfare and forensics - Panel discussion by Maric, USA; Jacobson, Can Robertson, USA.
- **12:30-13:15**: Lunch break.
- **13:15-14:00**: WSAVA welfare lecture by Hubbard, USA on “Buster’s and gray’s free diets - are they a solution?”
- **14:00-14:45**: Modifying your environment and handling skills to reduce stress and improve patient welfare by Homan, USA.
- **14:45-15:30**: Using animal handling tools that reduce stress and its mean efficiency and safety for all by Homan, USA.
- **15:30-16:15**: Reducing patient stress through chemistry by Homan, USA.

---

**Key topics include:**
- Animal welfare strategies
- Animal handling techniques
- Nutrition and feeding practices
- Stress management in veterinary settings
- Low-stress handling methods
- Dietary therapy for specific conditions
- Animal welfare across different cultures
- Forensics and animal welfare

---

**Session highlights:**
- **Practical applications of veterinary expertise**
- **Interactive workshops**
- **Case studies and clinical scenarios**
- **Networking opportunities**

---

**Facilitators and experts include:**
- Robertson, USA
- Jacobson, Can Robertson, USA
- Maric, USA
- Homan, USA

---

**Further reading:**
- WSAVA guidelines on animal welfare
- NAVC on best practices in animal handling
- CVMA sessions on stress management
- Forensic investigations for animal welfare cases
